In 1912, a 19-year-old entrepreneur named Georges Monin started out selling branded wine and spirits with a horse-drawn cart with the slogan, "A passion for quality". The company he founded has since been driven by this motto.

Quality remains a keystone in the entire production process. The finest ingredients are sourced from around the world to assure authentic taste and aroma. Plus, state-of-the-art technology is used to develop new products and applications. Always ahead of its time, Monin has created a reputation as the creative beverage.

Always harvested unripe, green bananas are then transported to shops and markets, where they gradually ripen and yellow. As a banana ripens, its flavour changes from firm and starchy with the green note of a kiwifruit to the sweet, rich, soft ripe banana taste.

The vibrant clear green colour and green unripe banana flavour of Green Banana will enhance cocktails, fruit punches, milkshakes, smoothies and beers.
